Document transmitted by email and by mail

Subject: Submission to the Régie de l'énergie concerning the construction of the new Waconichi substation at 161-25 kV and a new transmission line at 161 kV to supply the community of Mistissini

Chief Longchap,

This is to inform you that Hydro-Québec submitted last January 16, 2009 to the Régie de l'énergie a request for approval of the project to build the new Waconichi substation at 161-25 kV and a new transmission line at 161 kV to supply the community of Mistissini as it was presented to you and your council on November 12, 2007.

You could find this request on the hearings in progress section of the Régie de l'énergie Web site at the following address: <http://www.regie-energie.qc.ca/audiences/3683-09/index3683-09.htm>

Also, please note that the Régie de l'énergie has published an Internet notice about the examination procedure for this request that you will at the following Web site address: http://www.regie-energie.qc.ca/audiences/3683-09/CorrespRegie_3683-09/A-Regie_AvisInternet_3683_28janv09.pdf

Should you require any additional information, please do not hesitate to contact the undersigned.

Sincerely yours,

A handwritten signature in cursive script that reads 'Martin Desgagné'.
