Subject: Hydro-Québec's 2000 MW Call for Tenders for Wind Power

As discussed.

Regards,

Diane Deraspe
Direction Approvisionnement en électricité
Hydro-Québec Distribution

Hydro-Québec Distribution would like to inform interested parties that the Québec government has published for consultation purposes a draft Regulation on the issuance by Hydro-Québec Distribution of a call for tenders for 2000 MW of wind power. A copy of the draft regulation is enclosed.

Parties interested to submit comments to the government may do so by contacting Mr. Mario Bouchard, Associate Deputy Minister, Énergie et Mines, Ministère des Ressources naturelles et de la Faune, at the address mentioned in the draft Regulation.

You can also consult Hydro-Québec's web site to find other information about Hydro-Québec Distribution calls for tenders.
