Dear Me Dubois,

In order to answer to the Régie's letter dated June 23, 2009, we wish to communicate the following information in relation to the hearing schedule.

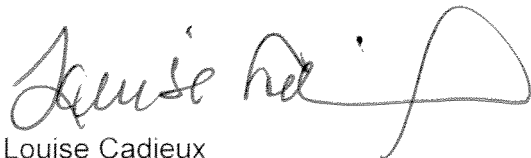

We estimate the cross-examination time of HQT witnesses around 30 minutes.

We estimate the cross-examination time of the Intervenors witnesses to 15 minutes each.

We estimated that our final argument should take 30 minutes.

Best- Regards
