4. Mr. Gubbay also prepared a second report entitled "*Estimated 2016-2020 Accrual Costs Gazifère Non-Pension - Post Retirement Plans*" dated August 13, 2015;
5. The purpose of this report is to provide actuarial estimates of the accrual costs over the years 2016 to 2020 for the Non-Pension Post Retirement Plan for employees of Gazifère based on economic conditions at May 31, 2015;
6. These reports were prepared at the request of Gazifère in the context of its 2016 rate case;
7. Mr. Gubbay is no longer an employee of Mercer (Canada) Limited and I have taken over as the OPEB actuary for Enbridge;
8. In this context, I have taken cognizance of the two aforementioned reports and I am familiar with their content;

10. These reports do not require any amendments or corrections. I note however, that market conditions at the date of signing this affidavit (March 21, 2016) are not identical to the market conditions at May 31, 2015. I have not been asked to estimate the impact of changes in market conditions since May 31, 2015 (or the impact of any other changes since May 31, 2015) on the estimated projected costs shown in these reports;
11. As an employee of Mercer (Canada) Limited, I adopt these reports to serve as written evidence in the present file;

AND I HAVE SIGNED in Montreal, this 21 day of March 2016.
