RIDER A

RATES AND CHARGES FOR CUSTOMERS REQUESTING HIGH DENSITY LOAD ("HDL") SERVICE

A. APPLICABILITY:

This Rider is applicable to new and existing customers receiving service under any service classification of this Tariff:

- a. where the requested load density, in the portion of the premises containing the load consuming equipment exceeds 250 kWh/ft²/year; and
- b. the maximum demand used or requested by the customer exceeds 300 kW; and
- c. Does not qualify for the New York Power Authority Municipal and Rural Cooperative Economic Development Program.
- d. This Rider is applicable to service to new buildings and premises as well as to increased service to existing buildings and premises.

B. APPLICATION FOR SERVICE:

- a. An owner or occupant of a building or premises desiring to take service under this Rider shall submit an expression of interest, including details of projected connected load, in writing to the Utility.
- b. Upon payment of security acceptable to the Utility, the Utility shall conduct, or cause to be conducted a feasibility study to evaluate whether the requested load can be safely served by the Utility.

- c. The feasibility study will identify what, if any, upgrades to the Utility's facilities are required to serve the customer.

C. CUSTOMER COST CONTRIBUTION

A Customer requesting service under this Rider will be responsible for:

- a. reasonable costs of conducting the feasibility study; and
- b. the entire cost of any new facilities necessary to supply the requested service.

The payment of these costs will be required, in cash, before new facilities will be constructed. At the end of each full year of service, for the first ten years, the customer will receive a refund equal to the lesser of the annual non-supply related revenues from the customer, or one-tenth of the cost contribution paid by the customer under this paragraph.

- c. Financial Security: The Customer shall provide financial security in an amount equal to two times the customer's estimated total monthly bill. This security shall be in the form of a deposit or an irrevocable Letter of Credit in a form acceptable to the utility, at the customer's option.

D. RATES AND CHARGES

Customers served under this Rider will pay the rates and charges applicable to their Service Classification, except as follows:

1. HDL Purchased Power Adjustment ("HDL PPA"). The energy rates for electric service under this Rider shall be increased per the amount per kWh of the purchased power cost incurred by the Utility to serve all customers under this Rider.

2. HDL PPA Rate Statement

The rate adjustment per kWh shall be determined by the monthly inputs for cost and electricity reflecting the specific monthly energy and demand costs incurred by the municipal utility for load served under this Rider. A statement showing the HDL PPA per kWh shall be filed with the Commission not less than 3 business days prior to the date on which it is proposed to be effective.
