AFFIDAVIT

I, the undersigned Roger Higgin, analyst for Option consommateurs (OC), exercising my profession at 15 Malabar Place, Toronto, Ontario, solemnly declare the following:

1. I am one of the analysts retained by OC in the present case.
2. I am the author of that part of the mémoire filed as exhibit C-OC-0043 dealing with the total compensation benchmark studies.
3. I am also the author of the mémoire filed as exhibit C-OC-0046 dealing with the deferral and variance account for capital as well as its revised version filed as exhibit C-OC-0059.
4. I am also the author of the power point presentation filed as exhibit C-OC-0060 and its accompanying speaking notes filed as exhibit C-OC-0062.
5. I am the author of the response to the Régie's 2nd information request to OC filed as exhibit C-OC-63.
6. Finally, I am the author of the response to Hydro-Québec's written hearing questions filed as exhibit C-OC-0064.

7. I adopt the above-mentioned documents as my written testimony in the present case.
8. All of the facts alleged therein are true to the best of my knowledge.

AND I HAVE SIGNED ELECTRONICALLY:
