

Public Notice

Régie de l'énergie

APPLICATION FOR THE APPROVAL OF THE SUPPLY PLAN AND AMENDMENT OF THE CONDITIONS OF SERVICE AND TARIFF OF ÉNERGIR, S.E.C. AS OF OCTOBER 1, 2022 (FILE R-4177-2021)

The Régie de l'énergie (the **Régie**) will hold a public hearing to hear the application from Énergir, s.e.c. (**Énergir** or the **Distributor**) regarding the approval of its supply plan and the establishment of its rates as of October 2022. The Régie will study the application in two phases. The subjects examined in phase 1 will be:

- the proposed streamlined regulatory regime for 2022-2023 to 2024-2025;
- permanent tariff smoothing measures starting in the 2022-2023 tariff year;
- a materiality threshold when updating the information contained in exhibits in support of a tariff application file between their initial filing and the Régie's final decision.

Phase 2 will be devoted to the examination of all other subjects allowing the Régie to approve the supply plan and the *Conditions of Service and Tariff* applicable on October 1, 2022.

REQUESTS FOR INTERVENTION

In accordance with decision D-2021-163, the Régie recognizes from the outset as interveners in this file the interveners in files R-4076-2018 and R-4151-2021 relating to the establishment of the 2019-2020 and 2021-2022 rates, respectively.

Any other person interested in participating in the examination of the Application must send the Régie an application for intervenor status **no later than December 23, 2021, at 12:00 p.m.** The application must be made in accordance with *Rules of Procedure of the Régie de l'énergie* (the **Rules of Procedure**) and with the instructions of the Régie as set out in its procedural decision D-2021-163. The application must be sent to Énergir within the same time limit.

Énergir's application, related documents, the Regulation and procedural decision D-2021-13 can be consulted on the Régie's website at <http://www.regie-energie.qc.ca>.
