Régie de l'énergie

APPLICATION TO AMEND INTRAGAZ'S NATURAL GAS STORAGE RATES AS OF MAY 1, 2023 (FILE R-4189-2022)

The Régie de l'énergie (the **Régie**) will hold a public hearing to consider Intragaz, Société en commandite (**Intragaz**)'s application to modify its natural gas storage rates as of May 1, 2023. Intragaz's application and related documents are available on the Régie's website at <http://www.regie-energie.qc.ca> and its offices.

THE APPLICATION

The application seeks to amend Intragaz's tariff as of May 1, 2023, for a period of 10 years, so that it can generate the revenues required to enable it to meet the full cost of providing its services and to achieve a reasonable rate of return on its pricing base. Intragaz is also asking the Régie for authorization to make investments for the realization of a project aimed at replacing a C-1 compression unit at the Pointe-du-Lac storage site.

APPLICATIONS TO INTERVENE

Pursuant to decision D-2022-056, any person wishing to participate in the public hearing must be recognized as an intervener. Any person interested in participating in the examination of the application must send the Régie a request for intervention no later than **May 16, 2022, at 12 p.m.** The application must be made in accordance with the *Rules of procedure of the Régie de l'énergie* (the **Regulation**) and the Régie's instructions contained in its procedural decision D-2022-056. It must be sent to Intragaz within the same period.

Intragaz's application, related documents, the Regulation and procedural decision D-2022-056 are available on the Régie's website at <http://www.regie-energie.qc.ca>.
