**Subject: Information on standards coming into effect or being withdrawn**

---

Sir,  
Madam,

The Régie de l'énergie (the Régie) draws your attention to the following points of information :

- Withdrawal of standards FAC-001-3 and FAC-002-3:
  - Withdrawal date: October 1, 2024.
- Coming into effect of standards FAC-001-4 and FAC-002-4:
  - Coming into effect date: October 1, 2024.

The above-mentioned documents will be published in the next update of the [Monitoring section of the Régie website](#).

Registered entities subject to reliability standards must acquaint themselves with the text of the standards, the register of entities subject to reliability standards, the glossary of terms and acronyms used in reliability standards, and of any other documents from the Régie about Québec reliability standards compliance monitoring and enforcement.

You can subscribe to our newsletter «[What's new?](#)» which gives news regarding the mandatory regime of reliability standards in Québec.

Yours truly,

**(S) Natalia Lis**
