Subject: Information on the publication of a new version of the Register

Sir,
Madam,

The Régie de l'énergie (the Régie) draws your attention to the following point of information :

- As a result of modifications made to the text of the [Register of Entities subject to Reliability Standards](#) (the Register), a new version will be published in the next update of the [Monitoring section of the Régie website](#).

Registered entities subject to reliability standards must acquaint themselves with the text of the standards, the Register, the Glossary of terms and acronyms used in reliability standards, and of any other documents from the Régie about Québec reliability standards compliance and enforcement.

You can subscribe to our newsletter «[What's new?](#)» which gives news regarding the mandatory regime of reliability standards in Québec.

Yours truly,

(S) Natalia Lis
