Subject: Information on publication of some reference documents

Sir,
Madam,

The Régie de l'énergie (the Régie) draws your attention to the following points of information :

- [Register of entities subject to reliability standards](#) (the Register): as a result of modifications made to the text of the Register, a new version will be soon available.
- [Glossary of terms and acronyms used in reliability standards](#) (the Glossary): as a result of modifications made to the text of the Glossary, a new version will be soon available.

The above-mentioned documents will be published in the next update of the [Monitoring section of the Régie website](#).

Registered entities subject to reliability standards must acquaint themselves with the text of the Register, the Glossary and of any other documents from the Régie about Québec reliability standards compliance monitoring and enforcement.

You can subscribe to our newsletter «[What's new?](#)» which gives news regarding the mandatory regime of reliability standards in Québec.

Yours truly,

Véronique Dubois, avocate
Secrétaire de la Régie de l'énergie
