SUBJECT: Publication of a new Self-Report form

The Régie de l'énergie (the Régie) hereby informs you on the upcoming publication of a new Self-Report form on the [Entities subject to reliability standards](#) section of its website, under the [Compliance Monitoring and Enforcement of Reliability Standards](#) tab ([Forms](#)). Please note that this form does not change the Non-Compliance Self-Report process described in section [3.5](#) of the Québec Reliability Standards Compliance Monitoring and Enforcement Program.

This new form, which aims to reduce the number of requests for information in the Non-Compliance Self-Report process, **will be online starting October 29, 2025**, and will replace the previous version.

Northeast Power Coordinating Council, Inc. foresees presenting this subject within the framework of the Annual Reliability Seminar on December 9th. In the meantime, please direct any questions regarding the new form to secretariat-PSCAQ@regie-energie.qc.ca.

Yours truly,

Carolina Rinfret, avocate
Secrétaire de la Régie de l'énergie
