TO: All Registered Entities

SUBJECT: Information on standards coming into effect or being withdrawn, and publication of a reference document

The Régie de l'énergie (the Régie) draws your attention to the following points of information :

- Coming into effect of standard BAL-007-1:
 - Coming into effect date: October 1, 2027.
- Coming into effect of standard TOP-003-7:
 - Coming into effect date: October 1, 2027.
- Withdrawal of standard TOP-003-6.1:
 - Withdrawal date: October 1, 2027.
- [Glossary of terms and acronyms used in reliability standards](#) (the Glossary): as a result of the adoption of the Glossary, a new version is now available.
 - Coming into effect date: October 1, 2027.

The above-mentioned documents are published in the [Entities subject to reliability standards](#) section of the Régie website.

Registered entities subject to reliability standards must acquaint themselves with the text of the standards, the register of entities subject to reliability standards, the Glossary, and of any other documents from the Régie about Québec reliability standards compliance monitoring and enforcement.

You can subscribe to our newsletter « [What's new?](#) » which provides news regarding the mandatory regime of reliability standards in Québec.

Yours truly,

Carolina Rinfret, avocate
Secrétaire de la Régie de l'énergie
