TO: **All Registered Entities**

SUBJECT: **Information on standards coming into effect or being withdrawn, and publication of some reference documents**

The Régie de l'énergie (the Régie) draws your attention to the following points of information :

- Coming into effect of standard TPL-001-5.1:
  - Coming into effect date: October 1, 2029.
- Withdrawal of standard TPL-001-4:
  - Withdrawal date: October 1, 2029.
- Coming into effect of standard TPL-008-1:
  - Coming into effect date: October 1, 2027.
- Register of entities subject to reliability standards (the Register): as a result of the approval of the Register, a new version is now available.
- Glossary of terms and acronyms used in reliability standards (the Glossary): as a result of the adoption of the Glossary, a new version is now available.

The above-mentioned documents are published in the Entities subject to reliability standards section of the Régie website.

Registered entities subject to reliability standards must acquaint themselves with the text of the standards, the Register, the Glossary, and of any other documents from the Régie about Québec reliability standards compliance monitoring and enforcement.

You can subscribe to our newsletter « What's new? » which provides news regarding the mandatory regime of reliability standards in Québec.

Yours truly,

Johanne Skelling, avocate
Secrétaire de la Régie de l'énergie
