Re: **Coming into effect of the Québec Reliability Standards Compliance Monitoring and Enforcement Program (QCMEP)**

Sir, Madam:

In accordance with section 85.2 of the *Act respecting the Régie de l'énergie*, the Régie de l'énergie (the Régie) shall ensure that electric power transmission in Québec is carried out according to the reliability standards it adopts.

In its D-2014-216 Order, rendered in the R-3699-2009 file, the Régie set the effective date of adopted Reliability Standards on **April 1st 2015.**

To ensure that electric power transmission is carried out according to these Reliability Standards, the Régie hereby brings as well into effect the Québec Reliability Standards Compliance Monitoring and Enforcement Program (QCMEP) on **April 1st 2015.**

Yours truly,

Diane Jean
